

Afghanistan International Marble Conference II

Afghanistan's Resource Advantage

April 12 – 16, 2010 – Herat, Afghanistan

EXPO for Marble Quarry Operators, Processors & Carvers & Industry Partners

The expo for Marble Quarry Operators, Processors & Carvers will provide up to 20 exhibitors with finished site preparation to include 10 m x 10 m basic stand display space in a secure location within the Herat Governorate's Hall of 2000. Conference organizers will provide booth dividers, booth signs, assist with layout, set-up and breakdown in coordination with the ASMED Conference Team.

The expo will also include stands, display and information kiosks for financial organizations, investment support agencies, banks, insurance providers, and logistics company that support the marble industry.

Exhibiting at the expo will be at no charge to the exhibitor and signage, conference visuals and branding will be provided by the organizers. Stands will include a table and covering for each 10 m x 10 m space as well as directed lighting.

For exhibitors located outside Herat, the conference organizers will provide space for samples and products in a container which will be transported from Kabul to Herat, scheduled to arrive no later than April 10, 2010. Conference organizers will assume the cost of transportation of this container to and from Herat.

Exhibitors are expected to provide a full information package on their company and products and will also be provided with a marketing assistance briefing.

A floor plan of the expo space is shown on the page following.
